ANNOUNCEMENT

August 10, 2010

Re: UMore Park Gravel Mining Initiative

Dear Bloomfield Residents and neighbors,

The University of Minnesota's UMore Development Limited Liability Company (LLC) wishes to invite you to a neighborhood meeting to further explore our proposal to extract and process the sand and gravel resources located to the south of your neighborhood on the UMore Park property. The map on the reverse side of this letter identifies that portion of UMore Park being considered.

The LLC is proposing to enter into a partnership with Dakota Aggregates, a Dakota County-based entity being formed, for the purpose of managing all aspects of mining and its related processes.

We know that you have many questions regarding this undertaking and wish to provide you and your neighbors an opportunity to meet with us in an informal setting. We have reserved the Rosemount Community Center's Banquet Room for the evening of Thursday, August 26. The meeting will be held from 6:00 to 8:00 p.m. with a presentation scheduled to begin at 6:15 p.m.

Because a light meal will be served, RSVPs are appreciated by emailing umorepark@umn.edu or by calling 612-626-3976.

We hope that you are able to join us and look forward to the opportunity.

Sincerely,

Charles C. Muscoplat
President
UMore Development LLC
