ROSEMOUNT POLICE TO AUCTION UNCLAIMED ITEMS

The Rosemount Police Department will conduct an auction of bicycles and other unclaimed property on Saturday, May 9.

The inventory includes 80 bicycles, with prices set between \$5 and \$20, for cash only. All sales are first come-first served and for items as-is. Buyers can purchase one bike at a time and then return to the end of the line for more.

The inventory also includes a child stroller attachment for a bicycle and a lawnmower.

The auction will take place beginning at 8 a.m. on May 9 at the small garage just north of City Hall, near the new splash pad. Shoppers should park in the Central Park lot.
