CONSTRUCTION LEADS TO ANOTHER TEMPORARY STREET CLOSURE IN DOWNTOWN ROSEMOUNT

Rosemount Public Works has announced that Lower 147th Street will be closed temporarily on Thursday, September 10, between Highway 3/South Robert Trail and Cambrian Avenue in Downtown Rosemount. Traffic will be detoured two blocks north to 145th Street.

The temporary closure is necessary because of construction for a Dakota County Community Development Agency senior housing project in the area.
