CITY TO CELEBRATE EXPANSION OF STEEPLE CENTER

The Rosemount City Council will host a ribbon cutting ceremony and open house to formally mark the opening of an expansion to the Steeple Center, intended to provide more services to tie the community together.

The ribbon cutting will take place on Monday, February 1, at 5 p.m. An open house will follow at the facility, located at 14375 South Robert Trail.

The City purchased the property from the Church of St. Joseph to provide a site for the Robert Trail Library. The City Council also wanted to preserve the church building for use as a community meeting space.

After demolition of the attached school building, the Council authorized an addition that would expand the space available in the former church building and that would connect to a privately developed senior housing project, known as The Rosemount, which will have its own opening ceremony later in February.

The addition includes a full catering kitchen, expanded restrooms, a lobby area that features a beautiful fireplace, gorgeous windows with café style seating, three multi-purpose rooms and a conference room.

The Steeple Center is open to the public weekdays, 8 a.m. to 4:30 p.m. It's a great place to stop in for a cup of coffee, to catch up with friends, and meet new people. It is home to all senior activities and programs, and the Rosemount Area Arts Council offers a wide variety of classes and events at the facility as well.

To set up a tour or to inquire about renting the Steeple Center, contact Stephanie Baumann at stephanie.baumann@ci.rosemount.mn.us or (651) 322-6016.
