#### ROSEMOUNT YOUTH COMMISSION TO KICK OFF SUMMER

The Rosemount Youth Commission plans to help the community's young people kick off summer with an event in Central Park.

The Commission is sponsoring the Splash Pad Summer Kick-off on Wednesday, June 15, from 1 to 3 p.m. Commissioners will serve free freezies and help younger children create works of chalk art at the pad.

One of the goals of the 16-member Youth Commission for the coming year is to increase the group's community presence.

The splash pad opened for the season on May 28.
