

You Are Invited to a Public Open House for the US Highway 52 and CR 42 Interchange Reconstruction Project

Project Purpose

Dakota County, the City of Rosemount, and MnDOT are planning to reconstruct the interchange at US Highway 52 and CR 42 to address safety and operational issues at the interchange.

Project Summary

CR 42 will be expanded from a two-lane to a four-lane highway which will improve the sight lines from the US Highway 52 off-ramps, and the US 52 bridges over CR 42 will be replaced. The interchange ramps will be reconstructed on similar alignments with dedicated turn lanes being added to off-ramps. Construction of the project is scheduled to begin

in 2017. A concept and anticipated schedule are included in this newsletter.

Single Season Construction

To complete the construction of this project in a single season, US 52 traffic will be maintained on bypasses during bridge construction, requiring a closure of CR 42 between the ramps. Detoured traffic may use the interchanges at US 52/CR 46 and US 52/117th St. CR 42 traffic will be allowed to make right turns onto and off of US 52. The closure of CR 42 will have an impact on the traveling public, including emergency services. Emergency service needs will be considered during staging.

PUBLIC OPEN HOUSE

Time and Location

Wednesday, October 19, 2016

4:30 p.m. to 6:30 p.m.

Rosemount Community Center
13885 South Robert Trail
Rosemount, MN 55068

The purpose of the meeting is to provide you with the opportunity to review the concept along with the planned construction sequencing detours, and schedule. Representatives of Dakota County, the City of Rosemount, and SRF Consulting will be available to receive your comments and answer your questions.

When Should I Arrive?

The meeting will have an open house format. Feel free to stop in at your convenience any time between 4:30 p.m. and 6:30 p.m.

If you are unable to attend the open house, please direct your comments to:

Jacob Rezac, Dakota County Project Manager
